

The **GIVE BACK CREW** needs **YOU!**

What is the GIVE BACK CREW?

The **GIVE BACK CREW** is a group of folks who volunteer at different community events and causes throughout Medina County, as a way to say thank you to the support shown by our community for people with developmental disabilities. The **GIVE BACK CREW** consists of professionals in the field, individuals with disabilities, family members, community partners, and people from our FANS network.

How does it work?

It is easy. You just tell Sandi Sammon, Director of Development and Community Relations, that you are interested in serving on the crew. She will e-mail you details of volunteer opportunities and you can choose whether you want to participate or not in that specific event.

Show our community we care

The **GIVE BACK CREW** is a great way to send the message to our community that we appreciate their support. Anyone is welcome to join who wants to communicate to our community in a tangible way that we appreciate all they do for people with developmental disabilities. You can volunteer once or lots of times. Come check it out and tell your friends.

The Arc of Medina County
